AQUALITE FOOTWEAR – *COMFORT THAT SHOWS, EVERY STEP OF THE WAY.*

Since its founding in 1981, Aqualite has grown into a trusted name in India's footwear industry, offering a perfect blend of comfort, durability, and style at accessible prices. Known for its commitment to **"Comfort Dikhta Hai,"** Aqualite designs every pair with ergonomic precision, ensuring that **"Kadmon Ka Sahi Use"** is more than just a motto—it is a promise.

With the use of advanced materials and high-quality construction, Aqualite footwear delivers lasting comfort, reliable support, and performance for every occasion.

DRIVEN BY SUSTAINABILITY

Aqualite integrates eco-friendly practices and materials to reduce its environmental impact while continuing to deliver diverse footwear styles, ranging from casual to sports shoes.

Our specialized **Research & Development** team at the **Aqualite Footwear Research Institute** continuously pushes the boundaries of footwear design and innovation, ensuring high standards of quality and performance.

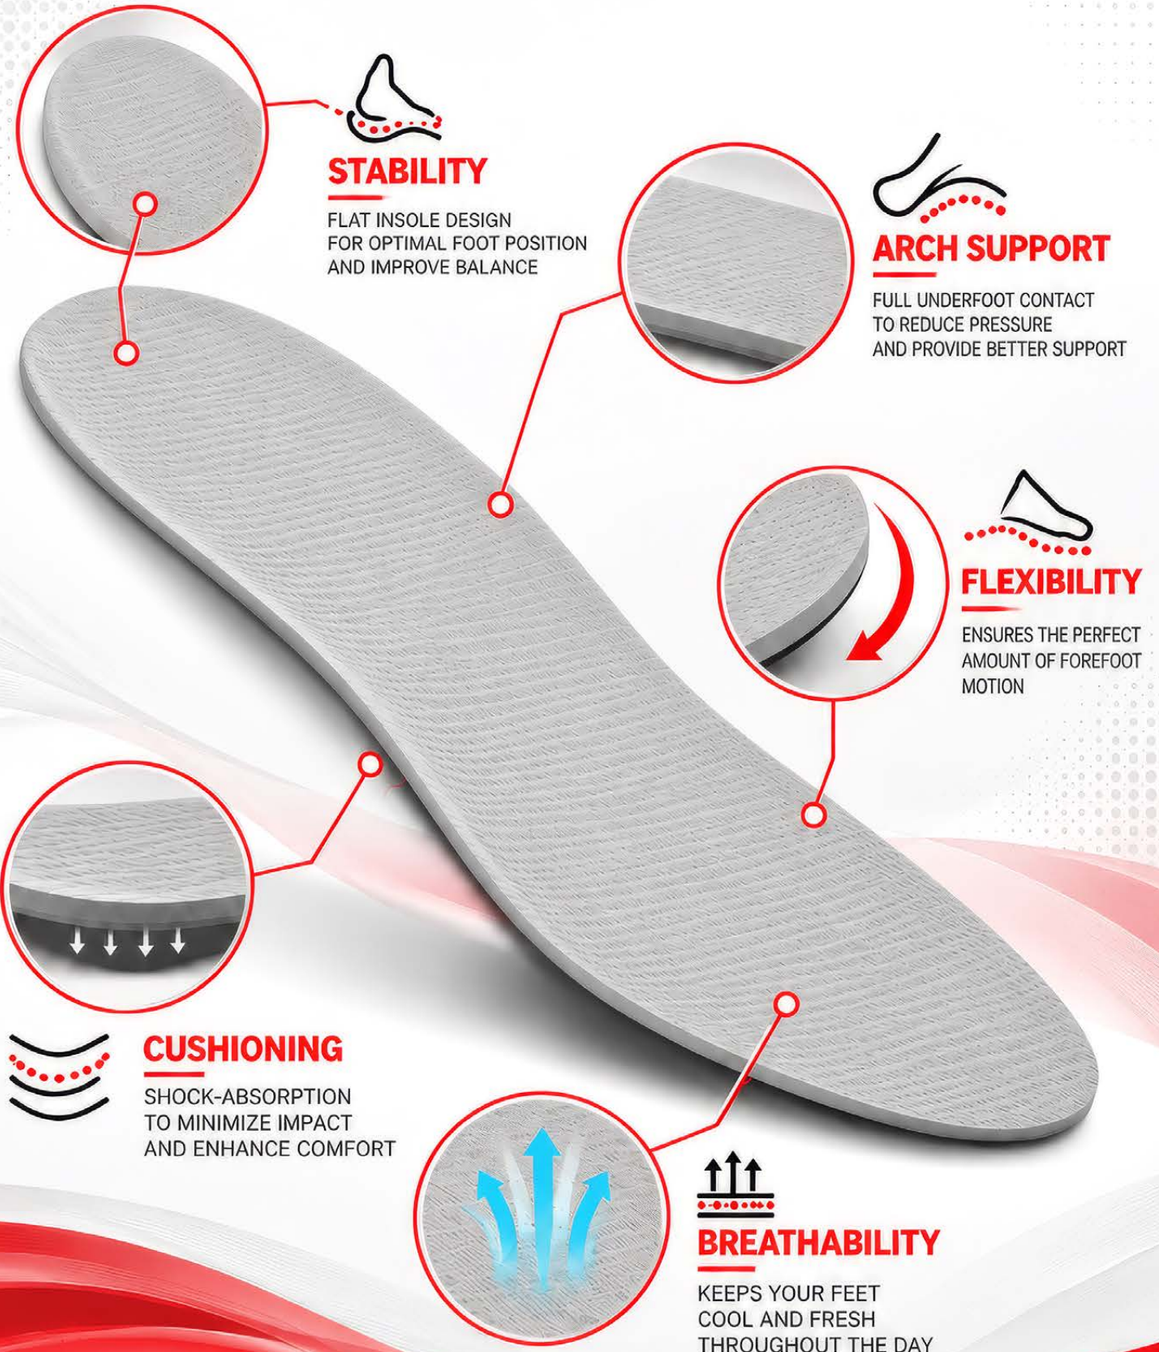

With a strong **Pan-India presence**, Aqualite is committed to making reliable, stylish, and comfortable footwear accessible across the country.

MISSION

To empower individuals with innovative and sustainable sports footwear that enhances performance, comfort, and confidence, inspiring people to stay active and achieve their highest potential.

VISION

To be a leader in sports footwear by setting new standards in performance, style, innovation, and sustainability, while fostering a world where everyone feels equipped and motivated to move forward.
